# *About Greyhound Rescue Fife*

Greyhound Rescue Fife is a sanctuary for homeless greyhounds located at Baltree Farm Gairneybank, near Kinross and at Union Farm, near Craigrothie by Cupar. It is run by Celia and Jimmy Fernie and always has many lovely greyhounds looking for a home, plus, sadly, a constant waiting list of incoming dogs.

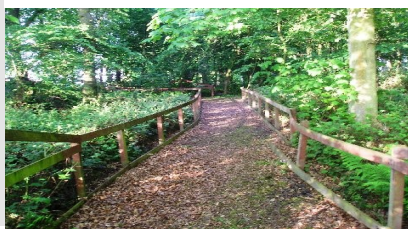

We will never be able to accommodate the vast number of greyhounds reaching the end of their racing careers each year, but, we do the very best that we can. We will always try to match the right dog to the right owner and we ask you to respect our judgement in this if we ask you to consider a different dog to the one of your choice.

*"Adopting just one Greyhound won't change the world, but the world will surely change for that one Greyhound."*
